Dear Cousin Pam:

Many thanks for your Christmas card and your accompanying letter. You and Jim certainly make an attractive couple.

Sorry to hear of your mother's passing. Will you please give me her date of death and place of burial (cemetery and town)?

You really did travel last year. Betty and I visited the Biltmore at Ashville on our way to Florida last February. It is beyond description. We were also in Rome last July. It was a nostalgia tour for me since I spent two years in Italy during WW II. Wanted Betty to see Venice and Rome and some of the other sights in Italy. While we were there, there was scaffolding around the walls of Sistine Chapel. We could see the part they had finished cleaning.

If you can make it to Pennsylvania, we would be delighted to meet you. I am enclosing a map which will help you find us in the wilderness of Blue Bell. Should be easy if you come north to the Pennsylvania Turnpike and then east to the Norristown exit (25).

I am pleased you enjoyed Volume III. It and the preceeding volumes have been a labor of love. Spent more than two years on Vol. III.

You and Jim are fortunate to have frequent flyer mileage although all that travel must get a bit tiresome for him. We have a friend in Crestline, CA, who travels on business. Last fall, he took his whole family on a tour of Europe and the airline fares cost him nothing. I think there were five of them on the trip.

We are looking forward to seeing you when you are out our way.

Sincerely,

Merry Christmas,

5257

Dear Cousin,

This is not an easy letter to write because I have to tell you that my mother died in January after several months of progressive disability due to a brain hemorrhage. Of course, Christmas is sort of sad this year.

Fortunately, we still have many blessings to count. As usual, we had some wonderful trips this year. In March we spent a week on the Caribbean island of St.Kitts, sightseeing and relaxing in the sun. We were in Napa Valley in May wine tasting and visiting my former boss who owns a winery. In June we spent a few days in Phoenix visiting Jim's mother and celebrating our 21st wedding anniversary. Our usual trip to Catalina came in late June.

In August I had arthroscopic surgery on both my knees. I was back at work in 3 days and off to Atlanta on a business trip with Jim only 6 weeks later. We drove through the Smokey Mountains into the Carolinas and visited Ashville where we toured Biltmore, the 200 plus room Vanderbilt family estate.

In October we set off on our big trip to Paris, Florence and Rome. Because Jim had so many frequent flyer miles on Pan Am we went first class. What a treat. We especially enjoyed visiting Monet's home at Giverney, the Uffizi Gallery in Florence and, of course, the incredible Vatican museum with the newly cleaned Sistine Chapel ceiling. The food was another one of the delights of Europe.

Jim again had a year full of business travel. Counting our pleasure trips he has flown 125,000 miles this year, including several trips to Santiago. We are now experts on how to pack a suitcase fast.

I keep busy working 3 to 4 days a week and doing lots of entertaining. We especially enjoy doing fancy picnics for trips to the Hollywood bowl with friends. We also redecorated our study the year. I spent quite a few hours painting the new bay window and a whole wall of bookcases.

Last Saturday was our annual Christmas party so we spent the week cooking and cleaning. That is why this letter is so late this year.

We hope you are all well and enjoy a wonderful Christmas and a prosperous New Year.

I thought you might like to see what your cousin looks like. In answer to your letter, due to my mother's illness your letters were not answered. My Aunt Nettie now lives at 1636 6th Ave, SW #7, Rochester, Minn. 55902.

My husband and I hope to be in

Gettysburg in the fall to visit a friend. If possible, I would like to arrange to meet you. I will write to you at a later date when our plans are firm.

I must tell you how much I have enjoyed the books on our ancestors. My mother was adopted so I know nothing of one half of my heritage. For that reason, being able to trace the line all the way back to England in the 17th century has very special meaning for me. I thank you for all the work which went into compiling these volumes.

Sincerely,

Pamela Merwin Taylor

Dear Cousin Pam:

Thank you for your recent letter saying that you and Jim are coming to Pennsylvania.

We will look forward to seeing you. Either the 6th or 7th of October will suit us. Just give us a call when you get in the area. We are available in the afternoon or evening whichever suits you. You have a map I sent you which, I hope, will guide you to our home. If you have any trouble, call us on the phone.

Betty and I just celebrated our 50th wedding anniversary. Had thirty of our family and friends to a luncheon at an historic inn. It is a lovely place and we had a great time.

Best regards,

Dear Cousin:

Along with your order for the Association publications was a set of pages showing changes in your section of the genealogy as well as that that of several other persons. Gaius Merwin passed this data on to me for handling.

Unfortunately, you sent the information too late to be included in Volume III. The deadline for submission of data was May 31st. which I extended to June 30th. Your information did not reach Gus until August 2nd.

I would have been so pleased to include the information about you and your sister. I wrote your parents on October 17, 1988, June 28 1989 and, again on November 9, 1989 pleading with them for the current addresses of you and Linda. Not one of my letters was answered. Why I do not know.

Since you are not a member of our Association, you probably do not know that persons not born with the name Merwin are not included in the genealogy unless they are interested enough in our Association to become members. Your Bentson cousins were members long enough to be in Volume II but immediately dropped their membership once the book was published. Accordingly, I could not use info about them .

Your Aunt Nettie was never a member. Nor was here son Craig J. Carney. Incidently, the last time I wrote her at 1635 Northwood Dr., Rochester MN 55901, the post office returned my letter as undeliverable. Do you have her correct address and that of her son?

May I suggest that you become a member of our Association? You will then be kept informed about our doings and not miss out the next time we publish. A form is enclosed for your convenience.

Do not feel that it is not advisable to buy Vol. III. There is much of interest about Miles [1] Merwin in it and your entry as we have it is as it was in Vol. II. You will be able to trace your line all the way back to Miles [1].

Thank you for your interest in writing.

Best regards,

Thank you for your letter of 15 August. I have made some small corrections to the entry and you will find it enclosed with this letter.

As to the matter of Dues, I'm afraid it is not straightforward for us to send dollars overseas, as all our banking is done in Deutche Marks. I am, at present, trying to arrange something with mom, so perhaps you will receive our dues shortly!

Dear Mr. Buchanan,

At this writing Lawrence is in the process of "writing" for his Ph.D. in Chemistry which he hopes to complete some time in November. They plan on being home in St. Paul for a month or more & then will be moving to Bayreuth, Germany where Larry will assist in setting up N.M.R. Spectrometers & research groups. That position will be for 2-4 years. Maybe after that, the family will come home to live in the U.S.A.

With regret, I will at this time, inform you of the death of my beloved husband Otis Hale Merwin. As a result of having rheumatic fever as a child, he had to have the aortic valve replaced in Nov. 1964. He lived a fairly normal life on medications - working for Sherwin-Williams Co. for 27 years. (1958-1985) On Aug. 6, 1985 during open-heart surgery, the mitral valve was replaced, & on Sept. 8, 1986 the tricuspid valve - he lived almost a month - the heart finally too weak to sustain lungs, liver & kidneys, Otis passed away on Oct. 6, 1986 & is buried at Fort Snelling National Cemetary.

Yours truly,
Rose-Marie Merwin

CHAPTER 1

THE FIRST GENERATION

1. James D (1) Witter b. 1816/1817; bap. 15 Mar 1819 in Ballyboetemple parish, Welchtown, County Donegal, Ireland; d. 18 Jun 1895 of Peritortus in Darby, Delaware County, PA. [1]. He was reinterred 12 Dec 1895 at Mt. Zion Cem. aged 79 years. About 1836/37, he married in Ireland, Margaret Humes, the dau. of John Humes of Welchtown, County Donegal, Ireland. She was born about 1811 in Ireland; d. 31 Jul 1895 in Darby, Delaware County, PA, of Paralysis and reinterred at Mt Zion Cem., Springfield Road, Collingdale, Delaware County, PA, on 12 Dec 1895 [2]. Their death certificates do not state their initial place of burial.

Family tradition is that James D and Margaret (Humes) Witter were married in Ireland (presumably in Donegal), traveled to Dublin, and immediately took ship for America. William James Witter told his son, Edgar Curtis Witter, that they were married in Ireland and danced the "Campbells are Coming" on the boat on their way to America.

James D Witter was six foot two inches tall, of fair complexion and had light hair and blue eyes [3]. He hired out as a farm laborer upon his arrival in Darby. At least, the U.S. Census of 1860 [4] for Leipersville, (Darby Township), Delaware County, PA, lists his occupation as a farm laborer and there is no record of his purchasing land in Delaware County.

On 27 Nov 1846, J D enlisted at Philadelphia for five years service in the U.S. Army. He served first in Battery E, 2nd Regiment, U.S. Artillery, and later in Battery A, 2nd Regiment, U.S. Artillery. This was the time of the Mexican War. He saw action during the battle of Molino del Rey in 1847 and was wounded. The nature and extent of his injuries were not recorded in his service records. On 26 Nov 1851, he was discharged in the grade of private at Fort Monroe, VA.

About ten years later, on 24 Aug 1861, J D responded again to the call to arms. This time it was to take part in the Civil War. He enlisted for three years in Company I, 106th Regiment, Pennsylvania Volunteers. On 1 May 1862 at the headquarters of the regiment at Yorktown, VA, JD was promoted to sergeant retroactive to the date of his enlistment. His promotion document [5] was signed by R.G. Morehead, Colonel, Commanding, and F.M. Lleis, adjutant of the regiment.

The Battle of Antietam (or Sharpsburg) on 17 Sep 1862, climaxed the first of Confederate Gen. Robert E. Lee's two attempts to carry the war into the North. About 40,000 Southerners were pitted against the 87,000-man Federal Army of the Potomac under Gen. George B. McClellan. And when the fighting ended, the course of the American Civil War had been greatly altered.

More men were killed or wounded at Antietam on 17 Sep 1862, than

HOW IT BEGAN

In 1962, I, Merwyn Buchanan, authored and distributed to family members, The Descendants of James D & Margaret (Humes) Witter. This was a mere outline of their descendants which I prepared to satisfy my curiosity about my father's family and desire to at least begin a genealogy of the family. Although I had intended to do the necessary research to revise that work into a full-blown genealogy, I lacked the necessary time and experience to do so.

In 1977, I was commissioned by the Miles Merwin (1623-1697) Association, Inc., Milford, CT, to prepare a genealogy of the descendants of Miles Merwin the immigrant ancestor from whom I am an eleventh generation descendant through my mother, B. Minnie F. (Greene) Buchanan. In 1978, The Merwin Family in North America was published and it consisted of 5045 descendants in ten generations recorded in 1115 pages. In 1983, Volume II was published to carry the record up to the fourteenth generation. This experience as Genealogist of the Association (a post I still hold) taught me how a genealogy should be written. Accordingly, I have undertaken to prepare and publish this genealogy, confident that I am able to prepare an adequate record of the descendants of JD and Maggie Witter which I promised myself to do twenty-six years ago.

This work has been quite enjoyable because it enabled me to renew acquaintances with many of my cousins and to meet new ones.

One comment to put this work in focus. Although James D and Margaret (Humes) Witter had eight children, only two are known to have had children who married and had children of their own. Thus only Catherine Witter and William James Witter had grandchildren and later descendants. Accordingly, this genealogy is mainly about the descendants of only Catherine and William James.

It is my hope that this book will bring our family a bit closer and that one of my cousins will, some day, carry on the record through subsequent generations. My thanks to all of the people who contributed information about their families. I shall appreciate receiving any additional information or corrections anyone may offer. Despite my best efforts, this genealogy (like all genealogies) will contain some errors.

Dear Cousin:

Many thanks for your family record.

That sheet is misleading in that it seems to be requesting the birth dates of Kathleen's parents. Actually, I need the date and place (city + state) of Kathleen's birth.

May I also have a brief biography of you and Kathleen? Schools, degrees, occupation, employer, church, military or civic service, etc.

Best regards,

Merwyn

Dear Anita:

Your response to my recent letter was much appreciated.

The Merwin Family in North America was published in 1978 and it covers the ten generations of Merwins from Miles'. The Supplement we are now working on will be a rewrite of the 10th generation (David's ~~fath~~ grandfather); addition of the 11th (David's father) and David (12th). The book published in 1978 seems expensive, but I know you will find it interesting and informative over the years. Enclosed is an order blank to use if you wish.

On more thing. Since it will be several years until the Supplement is published, please record my name and address so that I may include anything of change in David's and your data. When and where he graduates from high school or college, or marries or is employed, etc. Please let me know.

Sincerely,

Merwyn

Dear Friend:

We are searching for descendants of Miles[1] Merwin to include in a supplement we are writing to a genealogy we published in 1978 (The Merwin Family in North America).

Do you know your family line? If you will fill out the enclosed Merwin Family Record and name your ancestors as far back as possible, we will search our records and see if you tie in to our line of descent.

Please let me hear from you even if you know you are not related.

Sincerely,

Merwyn

Dear Cousin:

First, let me thank you for the addresses you kindly provided me. Secondly, I want to ask you whether you would like to have your family included in Volume III of The Merwin Family in North America. Perhaps you know you are shown in Vol. II as part of your mother's family entry. Have you seen our genealogy?

In order to be included in Vol. III, we would ask you to join our Association. To do so, a form is enclosed. Also enclosed is a Family Record form on which you may enter your family information. Please fill in the information shown below for both you and your wife to complete your entry.

May I have Paul and John's addresses so I may give them an opportunity to be in the book?

Dear Mr. Hallowell:

When I worked for the Wissahickon School District, my cousin Thomas Schoerner Merwin used to sell my school supplies. When I wrote Volume II of *The Merwin Family in North America*, I obtained information about his family from his mother, Mrs. Mary Frances Merwin, and him and included them in the book. You, if I am not mistaken, are also "in the book". Since that book was pulished (in 1983), I have lost track of Tom and his mother.

Would you be kind enough to give me your uncle's and grandmother's addresses so that I may contact them?

We are in the process of writing Volume III of *The Merwin Family in North America* and I must write them to update their family record.

If you, Paul or John are interested in having your families in Volume III, you would be welcome.

Thanks and best regards.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

(✕) Missing bit of information:

Betty J——— Lothrop's middle name?

( ) A short biography is needed. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

( ) We urged your membership in our association in an earlier letter. Have you sent in your dues? Yes, you will be in the supplement whether you join us or not because you were born a Merwin, but we hope you will give us your support. (Annual dues are $2.00 payable to Miles Merwin Assn.).

Sincerely,

Merwyn

As you may know, the Miles Merwin Association is anxious to make the Merwin genealogy more than a statistical listing of names and dates. To make the record interesting, colorful and personalized, we must have biographies of living Merwins. These might include schools attended, degrees obtained, awards, military service and other accomplishments or interests.

Many Merwins submitted biographies with their genealogical line information, but these may have been furnished some time ago and need to be brought up to date.

We are making good progress in completing the genealogy, accordingly, we must ask for your reply before November 30th for inclusion in the manuscript.

Merwyn -

Received your latest address changes and new members.

Enclosed are the details of my son's daughter born in July which I neglected to enclose with my last note. If you need anything else, suggest you write direct although I would be happy to help. I believe that you have the names of Alexandra's maternal grand-parents.

Tine spoke with the Ackers. As things stand now, they will bring you over here Sunday afternoon and later we will all go to the Monadnock Inn in Jaffrey for dinner. It will be great to see you and Betty.

We go to Montclair, visit my mother, etc. the day after Labor Day - return here Saturday.

Regards

Gus
